

AMENDMENTS TO THE TITLE

Please replace the Title with the following new Title:

AEROSOL MIXING SYSTEM

AMENDMENTS TO THE SPECIFICATION

Please replace the paragraph beginning at page 4, line 26 of the specification with the following amended paragraph:

FIG. 3 shows a perspective bottom view of the head 10. The head 10 has hinge hooks 28 for coupling with the collar. The cartridge 20, for example, has a cover piece 21 (see FIG. 1) to cover and complete the enclosure of pre-formed channels for flowing constituents to be mixed.
